Opening: 21 January, 11 am – 6 pm

Exhibition: 21 January – 20 February 2022

The group exhibition *Papier.Salon.II* combines a selection of works on paper with design objects by pulpo.

Working on paper is often regarded as the foundation of artistic practice. At least since the romantic era, it has increasingly acquired an autonomous place in art because of the possibilities of immediate subjective expression. It vividly sheds light on the creative process and gives direct insight into artistic ideas. Works on paper continue to inspire contemporary artists to find new perspectives and styles in many ways.
